

Samuel Joseph Iaquina

December 31, 1946 - December 10, 2020

On December 10th 2020 the world lost a great Husband, Father, Grandfather, Brother and World Class Fisherman. Samuel J Iaquina Jr was a man with a big heart, enormous generosity and of course this would not be complete without mention of his never ending humor and ongoing stories about the biggest trout ever caught.

He served his country in the Vietnam War and was fortunate to return home and marry the love of his life Rose Iaquina. They were married for 52 years and unfortunately after surviving so many hardships throughout his life Sam was lost to this dreadful virus Covid-19. He is survived by his wife Rose Iaquina, his mother-in-law Ersilia Pate, his three children Lori, Mark, Paul Iaquina, his daughter-in-law Tamie Iaquina, his grand-daughter Madison Iaquina and his three sisters Marianne O'Rourke, Carol Hawthorne and Elaine Richards.

If Sam wasn't tinkering around in his Bodyshop that he started from nothing more than 40 years ago, you could find him at his favorite stream fishing, in the mountains hunting or playing practical jokes on everyone he was close to. He was someone who could make you laugh and would go to the ends of the earth if there was anything he could do not only for his family and friends but even those he hardly knew. His generosity knew no bounds. When there is a return of some sense of normalcy in this world and we are able to properly say goodbye; we will put him to eternal rest over his favorite stream where he can finally catch the biggest trout he's ever seen.

It is with a very heavy heart and sadness beyond words we say goodbye to the most amazing husband, father, and friend. He was truly one of a kind and a great man. He will be forever in our hearts.

You are missed
You are loved
You will forever be remembered
May you rest in peace.....until we meet again!

If desired, the family requests utilizing the "plant a tree" link on this site as a way to honor Sam's memory.
